

# THE BRADFIELD GRAPEVINE

March 2022 No: 201

Challenges all round! No matter how clever we think we are, and how much control we have over things, the weather always seems to have the last word!! Thankfully, after the loss of internet access due to a fallen tree, the delivery of a BT mini-hub has meant that we have been able to produce this month's Grapevine.

As usual it's a busy one. It's good to see the return of Whist on the first Friday of the month, **(Friday 4th March)**. The following day **(Saturday 5th March)** will be the LITTER PICK, hopefully there will be a good turnout and we can all give the village hedgerows and ditches a good Spring clean. Isobel gives the sad news that due to damage to the church, services have been cancelled but later in the month it may be worthwhile checking in with her or Val for updates. Let's hope that normal service will be resumed in time for Easter.

Plus there is more news of the Village Platinum Celebration, Val Nunn has found a delightful poem to share with us...it's sentiments will certainly resonate with many of us :) and finally Clive Leal has created a crossword for us to do for fun...(answers in next month's magazine).

## Message from the Rectory

Dear Friends,

This year Lent begins on 2<sup>nd</sup> March, which is Ash Wednesday. Which means, of course, that the previous day is Shrove Tuesday, AKA Pancake Day. What will you be doing for Pancake Day this year? Will you make pancakes, tossing them in your kitchen and then covering them in sugar and lemon? Or will you be creating some stuffed pancakes? I've been looking at some of the recipes which are truly mouth-watering such as brie-stuff pancakes with crispy bacon, or chocolate-filled pancakes with caramelised banana.

There's a lot of fun to be had with pancakes, but what are their origins? Shrove Tuesday is the traditional feast day before the start of Lent on Ash Wednesday. Lent – the 40 days leading up to Easter – was traditionally a time of fasting and on Shrove Tuesday, Christians went to confession and were 'shriven' (forgiven their sins). Shrove Tuesday was the last opportunity to use up eggs and fats before the Lenten fast began, and pancakes are the perfect way of using up these ingredients.

We still observe Lent because it reminds us of the forty days that Jesus spent in the wilderness being tested by Satan. Many of us refrain from something that we enjoy during Lent e.g. alcohol, chocolate. It's a good discipline, but many Christians will do something positive too, such as read a book. I'm going to read the book that has been recommended by the Archbishop of Canterbury which is called 'Embracing Justice' written by Isabelle Hamley. The Church of England is calling us all to reflect on the injustices of the world this Lent – and to ask what God is calling us to do about them. I am looking forward to reading what Ms Hamley has to say!

Enjoy your pancakes!

Yours in Christ,

Sharon

**It's a celebration of all things wonderful about our village and enjoying each other's company. It would be lovely to see lots of people there. There is provision should the weather not be kind!**

**Any offers of help to set up the venue in the morning would be gratefully received, there are tables to place, bunting to tie and dressing up to do to give it a real 1950's feel.....**

**Kind regards -The Jubilee Committee**

## **Churchwarden's Report February 2022**

Sadly, I have to report that Storm Eunice caused considerable damage to our lovely little church, blowing off many tiles from above the porch and leaving only a thin membrane to protect the church from the elements. Remaining tiles are unstable and could tumble down over the doorway onto people entering the church. For this reason we have cancelled services for the time being and I would ask you to be very careful if you are walking near to the church porch. The insurers have been contacted and we hope to put repairs into place as soon as possible. Looking at TV reporting of the steeple top flying off in Wells, I realise it could have been a lot worse.

For news about whether services in March will happen, please contact Isobel on 01284 386169 or Val 01284 388830 – and pray for dry weather!

On a lighter note, thanks to all those who have read lessons or written prayers in the last month. It has been good to welcome readers from other parishes in the benefice. It is a pleasure for us all to work together as a benefice, guided by Reverend Sharon, rather than just being isolated parishes.

## Parish Council

### Message from the Parish Council Clerk - SCAM ALERT

Dear all,

Received from Which? (also drawing on the Office of National Statistics crime survey) the five biggest SCAMs of 2021 (impersonation SCAMs were the most common) according to Which? which continue to go in and out of circulation were:

1. 'There's a problem with your Amazon account'
2. 'Your National Insurance number has been compromised'
3. 'You've missed a delivery'
4. 'Apply for your Covid passport now'
5. Online ads and social media scams

More detail can be found here: [Biggest SCAMs of 2021](#)

Finally, a reminder to help protect others by forwarding SCAM emails to [report@phishing.gov.uk](mailto:report@phishing.gov.uk) and SCAM texts to 7726.

The Parish Council would really appreciate residents' help in reporting highways problems such as potholes etc. You can do this by going to

[suffolk.gov.uk/roads-and-maintenance/report-a-highways-issue/](http://suffolk.gov.uk/roads-and-maintenance/report-a-highways-issue/)

You will see that on that page there is a grey box with the words "Highways Reporting Tool". Please click on that grey box and follow the instructions which will enable you to report the problem.

We thank you for your help

## February Whist Drive

Fifteen people turned out for our February whist drive in the village hall. It was lovely to meet up again and we were pleased to welcome a new player, Shirley, who plays an excellent game of whist! The results were:

Ladies: Gina took first prize with 173 points, followed by Shirley on 169 and third prize was won by Vera on 163. Sylvia took the wooden spoon with 144.  
Gentlemen: Gerry came first with 168, closely followed by Ian on 167 and Steve with 161. Ray took the wooden spoon with 133.

The next game will take place in the village hall on **Friday, 4<sup>th</sup> March starting at 7.30 pm**. Entry £2 includes tea, coffee and biscuits. All entry money is given out to winners with proceeds from the prize draw going to village hall funds. Prizes donated for the draw would be most welcome.

## Parish Council News

### **Litter Pick - Saturday 5th March**

The Parish Council look forward to seeing as many volunteers as possible to help with the organised litter pick on **Saturday 5th March, starting at 10am outside of the Village Hall**. All litter picking equipment and black bags will be provided but please bring along your own gloves. These organised litter picking events have been very successful in the past and we hope that this years' one brings out as many volunteers as possible to help keep our village looking at its best.

## ***BRADFIELD WEATHER***

### **BRADFIELD WEATHER**

**It was one of those March days when the sun shines hot and the wind blows cold: when it is summer in the light and winter in the shade.**

#### **Charles Dickens 'Great Expectations'**

In the last week or so of January following writing my last report there was no further measurable rainfall, leaving us with just 14mm against an average of 51.3mm. To show how isolated rainfall can be, data taken a mile west of Bury St Edmunds showed 24.5mm. It was, apparently, the driest January since records began and also a record for the highest hours of sunshine in the month.

February saw the first rain for a couple of weeks and has continued to be unsettled with regular rain throughout. From the 16<sup>th</sup> onwards there has been a succession of storms, with the accent being very much on high winds. Storm Eunice on the 19<sup>th</sup> with wind speeds of over 70mph, was the wildest and strongest for 30 years. The village did not suffer too badly, though broadband was lost when a falling tree took out the fibre cable and another tree blocked the Bury road. As I write, six days after the storm, neither has broadband been restored, nor has the tree been removed. We wait with bated breath!

Rainfall to date this month is 45mm with our February average standing at 43.8mm. **Keith Payne**

## News from Bishops Farm

Dare I suggest.... Spring has sprung...?

Spring is beautiful on the farm. The signs of new life are everywhere from new buds on hedgerows and trees to the fresh grass growth and daffodils almost about to burst into their yellow bloom. Ploughed land is looking weathered ahead of spring planting with some good frost-thaw over winter and a good germination of troublesome weeds can be controlled on this land ahead of spring crop drilling. Similar to last spring, we have approximately 50% of the farm area to plant in the spring. The remaining 40% of the farm is currently planted with winter cereals of wheat and Barley, 6% is planted to our multispecies herbal ley and 3% is in countryside stewardship options of wild flowers and pollen and nectar.

The land to drill this spring will include sugar beet, peas, beans and spring barley and all we need now is the weather to play ball, soils to warm up and soil moisture levels to fall low enough to carry the drill for planting to begin. Growing crops is a game of patience as we wait for the weather, however there's always plenty of jobs to tide us over whilst we wait! Over winter, we have been hedge-cutting, feeding and weighing the cattle, fencing, and laying water pipes to serve the herbal leys with anticipation of turning the cattle out to graze towards the end of March.

Whilst housed over winter, the cows diet consists of grass and clover silage, pea straw, rolled oats and beans and they are growing very healthily! We seek nutritional advice based on the protein, sugar and fibre contents of our home-grown silage and feed a measured regime of rolled oats and beans daily with weigh-ins on a 6-weekly basis. Since arriving on the farm in October, the group is averaging 1.4 kg daily live weight gain. The system we are developing is focussed on sustainability and quality and on their current trajectory we will have some animals to finish straight from the field next autumn before next year's stock intake arrives. Quite literally, a system of field to fork.

Whilst there's fewer practical operations to carry out over the winter months it is a good time to update and complete the farm accounts, read and research for annual qualification exams, gain valuable professional development points, update compliance documents and plan strategies for the spring. So, with less activity in the fields, the winter hosts plenty of activity in the office!

The signs of spring are certainly here, despite the wintery impact of Dudley, Eunice and Franklin this week! Let's hope the weather settles as the days get longer and we can all enjoy some colours emerging back in the trees, hedgerows, our gardens and across the farm.

### **Serenity Prayer**

Send me a slow news day, a quiet subdued day

In which nothing much happens of note.

Just the passing of time, consumption of wine,

And a re-run of "Murder She Wrote".

Grant me a no-news day, a spare-me-your-views day

In which nothing much happens at all.

A few hours together, the regional weather,

And a day we can barely recall.
